It is the goal of Legacy Of A Hero to provide assistance to our true heroes who may be in need of financial, emotional or physical assistance. Through a variety of fundraising efforts, the foundation will give to individuals and other non-profit organizations who embody our mission.

L/Cpl Chris Cosgrove was 23 years old when he was killed on October 1, 2006 by a suicide bomber at an entry control check point in Fallujah, Iraq. Chris was less than one week away from leaving Fallujah to start his journey home to his fiancé and family, after serving a 7-month tour of duty. Giving back was important to Chris. He joined the United States Marine Corps Reserves in May 2004 because he wanted to do his part to protect our country.
